

## **Public servants' payroll should be processed by Banrisul**

**(Governo do Estado Website – 01.15.2008 Edition)**

The public servants' payroll in the State of Rio Grande do Sul should be processed, on a mandatory basis, by **Banrisul**. Law 12.902, sanctioned and enacted by State Governor Yeda Crusius, was published in the Official Gazette of the State this Tuesday (15).

The bill had been unanimously approved by the State Legislature on December 18 2007. Representative Gilberto Capoani presented the proposal to the State Legislature.

According to article 1 of Law 12.902, the Executive, Legislative and Judiciary branches, in addition to the Government Attorney's Office, Public Prosecutor, Public Finance Court and State municipalities, as well as all bodies linked to the same, in which there is no participation of other federal or private entities, are obliged to deposit the available funds, including those that are necessary to the processing of their payroll, with an official financial institution of the State.

**Banrisul**, which celebrates its 80th anniversary this year, operates in 395 municipalities in Rio Grande do Sul, which represents 97.4% of the State's population.
