

### **Banrisul to Present Panel at the RSA Conference in the USA**

Banrisul will present during the RSA Conference at the Moscone Center in San Francisco, California, next Wednesday, March 03, at 9:10 am, the panel "The New Weapons for Brazilian Banks: PKI. EMV - Digital Certification and Debit and Credit Smart Cards". The lecture will be conducted by Mr. Jorge Krug, Executive Superintendent of Banrisul's Information Technology Security Unity, together with Ms. Francimara Viotti, Banco do Brasil's IT Director. The RSA Conference is considered the world's largest event in technology security. Banrisul and Banco do Brasil are the only Brazilian banks that will host panels during the conference.

During the conference, the executives will join the world's leading experts in IT security and certification authorities. "Participating as speaker of the RSA Conference is another way to demonstrate Banrisul's vanguard and its strategic position in the area of IT security," said Mr. Krug, who is also the Chairman of the Certification Authority of the State of Rio Grande do Sul (AC-RS). The executive will be accompanied by Mr. Jose Mendel , superintendent of Banrisul's Services and Solutions Unity.
