# Global survey of disclosure practice launches this month

MZ Consult, a New-York-based consultancy, is launching its 2006 assessment of IR web sites, corporate governance practices, earnings releases and other forms of disclosure this month. In order to take part, companies need to register by October 31 this year.

The Global IR Rankings, sponsored by KPMG, JP Morgan and Linklaters, is open to any public company in the world – though most applicants in past years have been US-listed.

The editor of *Real IR* is on the technical committee overseeing the assessment process. The results of the survey will be released in February 2006. To register, visit [www.irglobalrankings.com](http://www.irglobalrankings.com)
