CerradinhoBio is featured in the MasterCana 2017 Award

BRASIL

On 06/11, CerradinhoBio was again featured in the 2017 MasterCana Award, which is destined to the Best of the Year in the Brazilian Sugar Industry. It is the most traditional sectorial award that since 1988 has been acknowledging the merit of the people and organizations that stand out in the human, technological and socioeconomic improvement of Brazilian agribusiness.

The President of the Board, Luciano Sanches Fernandes, was awarded the MasterCana Entrepreneur of the Year Award in 2017. He dedicated the award to the entire Cerradinho team, thanking all employees and top management for their positive results in recent years.

CerradinhoBio received the MasterCana Award for Bioelectricity Performance through its Commercial Director, Logistics and Supply, Charles Wagner Zanotti.
